Who We Are

360 Group is a top-notch firm in the UAE, specializing in accounting, auditing, and financial advisory services. We're experts in understanding today's market, and we believe financial stability is key to a successful business. With a dedicated team of professionals, we offer a wide range of solutions to help businesses thrive. Our services include precise financial reporting, legal compliance, and strategic insights. We prioritize data security and uphold ethical standards to build trust and credibility with our clients.

Mission & Vision

Mission

To attain recognition as a leading business provider, rendering services in accounting, auditing, setting up businesses, legal, real estate, banking, and technology, upholding the highest standards of ethics and professionalism while fostering mutual growth for our team and clientele.

Vision

To enable businesses to achieve financial success and growth by offering exceptional expertise, innovative solutions, unwavering integrity, and strategic decision-making, thus paving the way for enduring prosperity.
